Pricing

All our pottery is shipped from our warehouse in Barneveld, the Netherlands (NL-3771 MG).

In order to give you the most competitive prices, we invoice you in Euros and do not build safety margins in our prices for delivery, duty and foreign exchange expenses.

ISPM 15 approved pallets are billed separate at €14 ea. as "Export Packaging", and we currently charge €395 per shipment for "Transportation, Handling and Export Documentation".

We bill these expenses separate to reduce the final price of the pottery, this saves on duty at time of importation.

Payment Terms

20% of the total amount is due before starting production.

The balance is due upon shipment of the goods.
