Pottery Direct

Made in Germany

German ceramic flowerpot catalog for potted plants

potterydirect.nl

Your global partner for import and export of ceramic flowerpots, for growers and exporters.

Pottery Direct develops and imports ceramic flowerpots for growers worldwide.

What started as a passion for ceramics has evolved over the past 40 years into a global network.

Pottery Direct ontwikkelt en importeert keramische bloempotten voor de sierteelt. Wat begon met een passie voor keramiek, groeide in meer dan 40 jaar uit tot een wereldwijd netwerk.

Showroom experience center

Our showroom has evolved into an inspiring experience center, where you can explore our collection up close and create your own pot-plant combinations. A place to get expert guidance, make creative choices, and find inspiration.

Onze showroom is uitgegroeid tot een inspirerend experience center, waar je onze collectie van dichtbij kunt ontdekken en je eigen pot- en plantcombinaties kunt samenstellen. Een plek om advies te krijgen, creatieve keuzes te maken en inspiratie op te doen.

Made in Germany

For the production of our German ceramics, we work together with the largest European ceramic manufacturers.

These factories have a long experience in manufacturing high-quality ceramics. They produce our own developed product lines for Pottery Direct. This sustainably produced ceramic complies with the guidelines that apply within the European Union.

Voor de productie van ons Duitse keramiek werken wij samen met de grootste Europese producenten van keramiek.

Deze fabrieken hebben een zeer lange ervaring in de productie van zeer hoogwaardig keramiek. Zij produceren voor Pottery Direct onze eigen ontwikkelde lijnen. Uiteraard voldoet dit duurzaam geproduceerde keramiek aan de richtlijnen die gelden binnen de Europese Unie.
